## NOTABLE QUOTABLE

"The three man crew that handled our move was incredible...Each one of them earned a nick name with us. One was "The Machine", another "The Terminator" and the 3rd was "The Conductor". They knew their jobs and worked to make the whole process very smooth for us. I would absolutely recommend them."

Dear Michael,

**Howard University**, located in Washington DC, first hired **Olympia Moving & Storage** in April 2012 for a small project on their NE campus. Since then, Howard University has used our services to remove old furniture from eight dormitories.

In August, we were called in to remove the contents from over **600 dorm rooms** across the campus. After **twelve trailer loads** and working non-stop through three very hot days, Howard's dorms were cleared and ready for some much needed remodeling.

More recently, Howard hired Olympia Moving to come back to their campus and empty an additional **200 dorm rooms**. We were asked to accomplish the task in a two day window and on short notice. Howard's campus staff was supposed to be taking a much needed vacation, but was asked to come in. Remarked one staff member, "**I wasn't too happy about having to work today, but when I saw Olympia arrive to work on my building, I knew it would be a short day.**" Once again, we completed a large project under budget and before deadline.

**Do you need help preparing for a renovation?** Olympia Moving & Storage has been in business since 1993, and maintains offices in **Boston, Massachusetts** and **Washington, D.C.**. We have a great team of dedicated professionals, and will do everything within our power to exceed your expectations.

If you're thinking about a move, please give me a call or drop me an e-mail. I'd welcome the opportunity to discuss our services with you.
